Performance Indicators

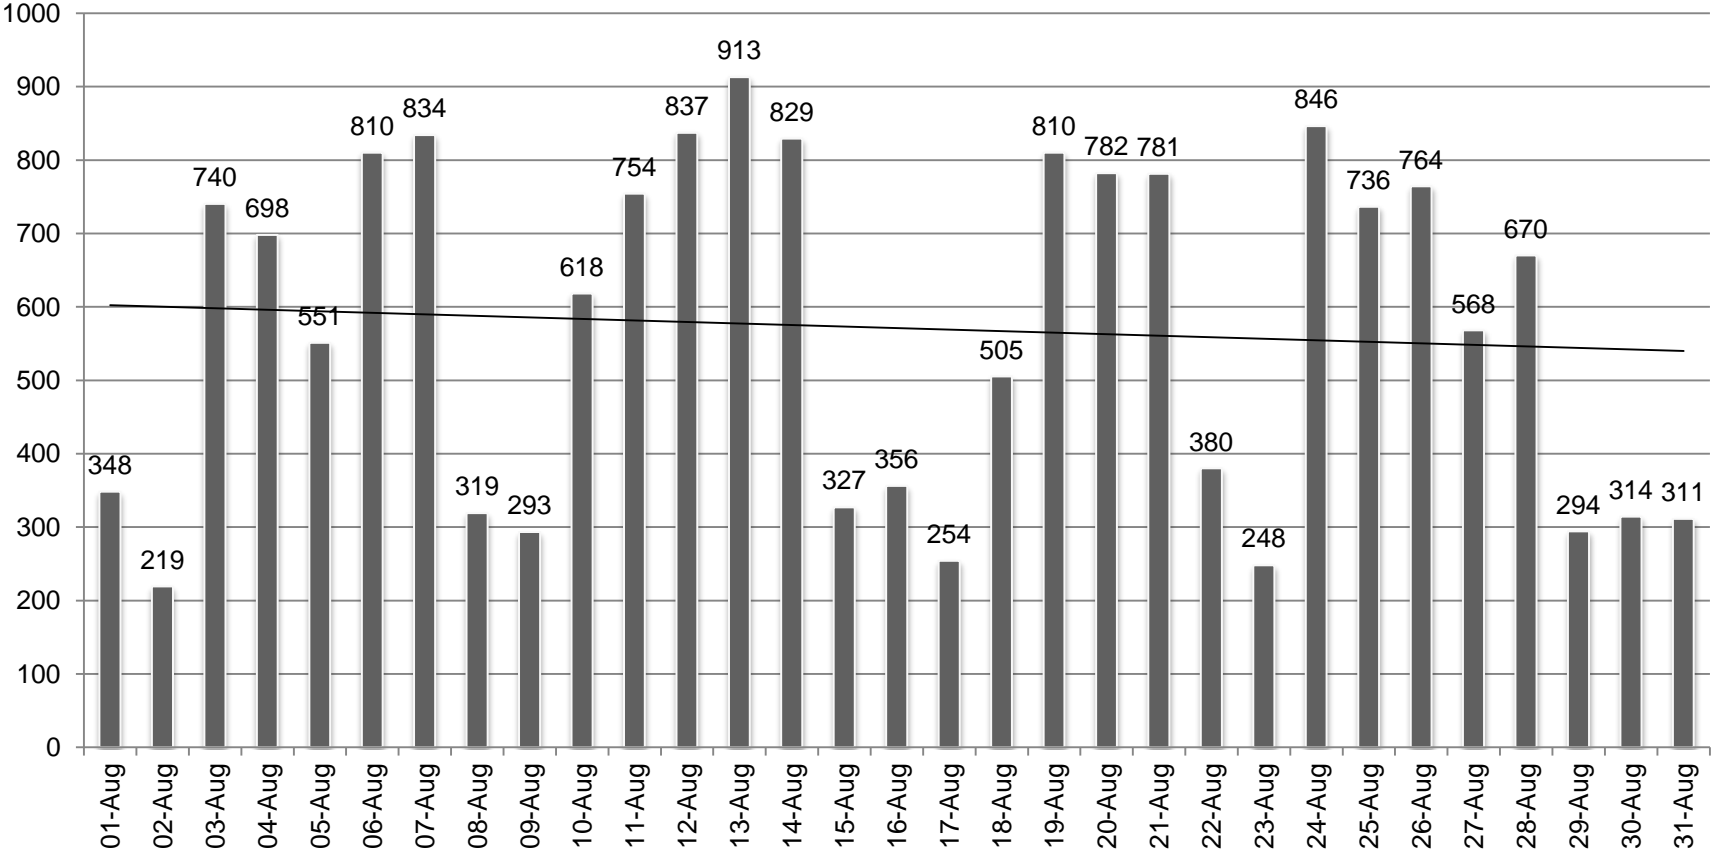

August 2015

August 2015

During the month of August there were 17,709 rentals; rental patterns were mostly affected by weather and various events within the city with numbers still lowest at the weekends. The rental fluctuations are shown below:

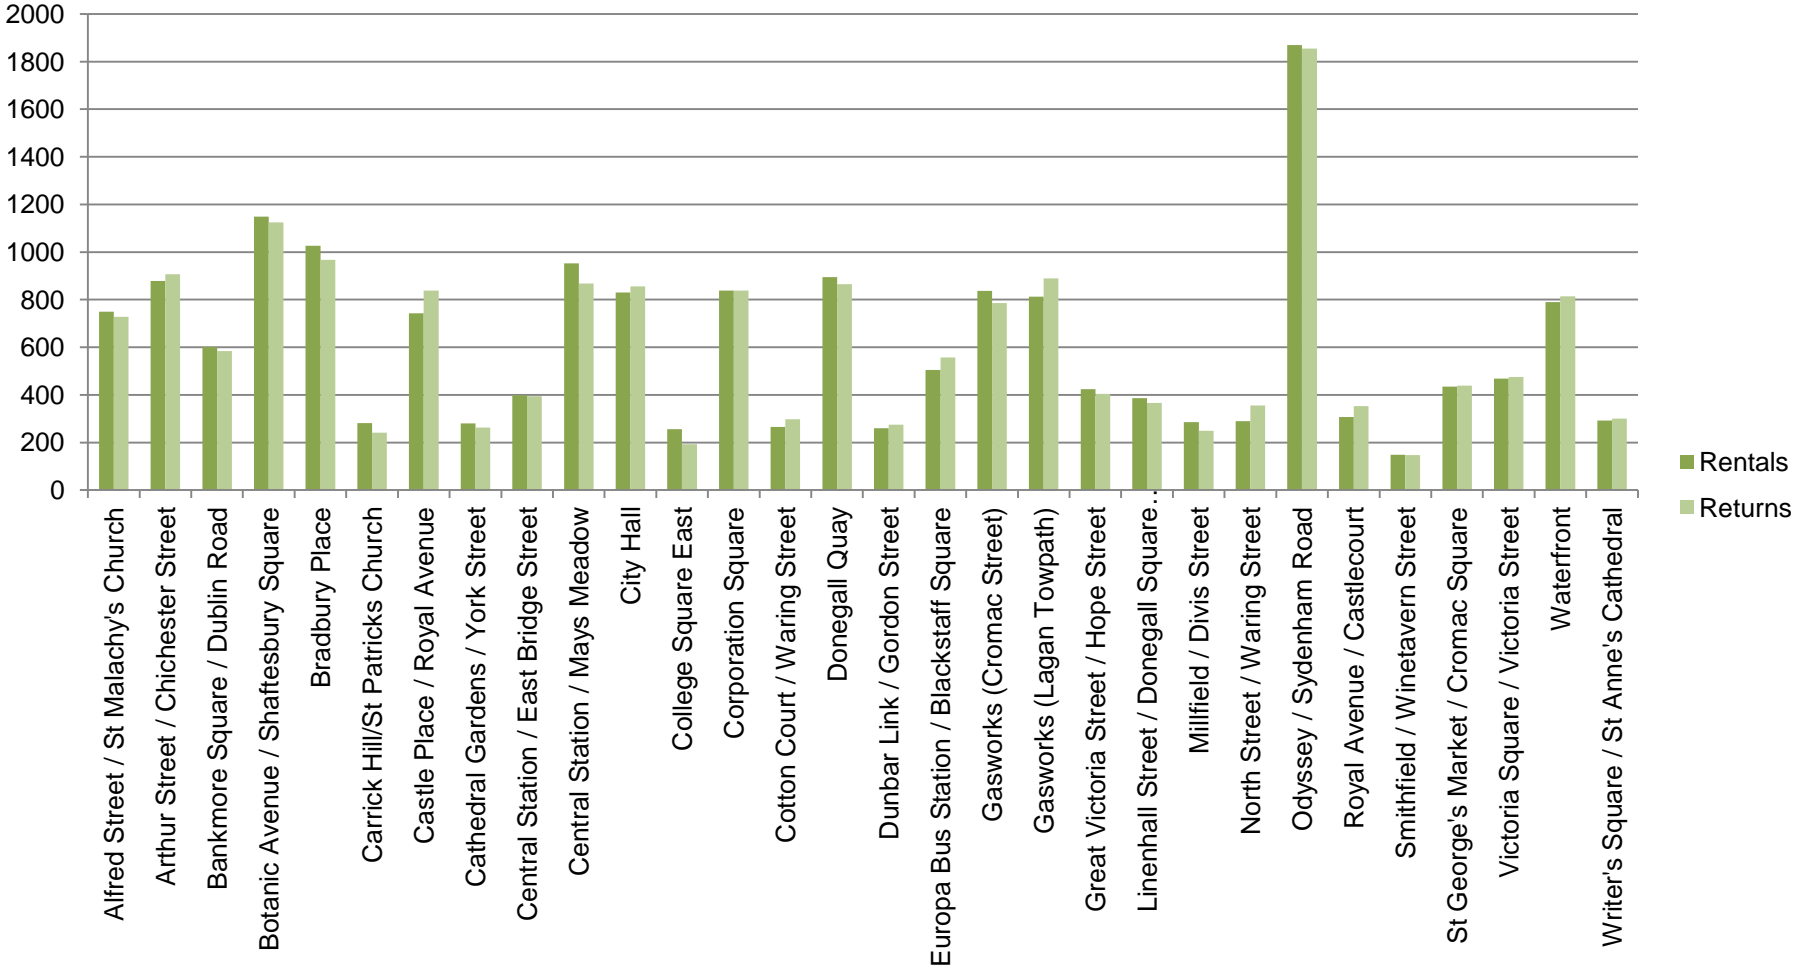

Daily Cycle Hires

August 2015

The most popular stations were 1) Odyssey 2) Botanic Avenue/Shaftesbury Square 3) Bradbury Place. The fourth most popular station for renting is Central Station/Mays Meadow and returning is Gasworks (Lagan Towpath) as shown below:

Rentals & Returns by Station

August 2015

The total rentals to the end of August were 76,657; these figures show a steady increase from the launch of the scheme, as shown below:
